

CODE	PP V200C NG
PRODUCT TYPE	Pellets
POLYMER	Polypropylene

Properties	Method	Unit	Value
Physical			
Melt flow rate (230°C – 2,16 Kg)	ISO 1133	g/10'	13-20
Density at 23°C	ISO 1183	g/cm ³	0,92
Mechanical at 23°C			
Flexural Modulus (23°C – 2mm/min)	ISO 178	MPa	1100
Izod notched impact strenght (23°C)	ISO 180/1A	KJ/m ²	4,0 – 5,0

Notes: Serplene PP V200C NG is a sorted, washed, melt-filtered and grey polymer granules from post-consumer recycling.

Disclaimer

The product(s) mentioned herein are not intended to be used for medical, pharmaceutical or healthcare applications and we do not support their use for such applications.

The value above is the representative value of the NP standard and may have deviation. It can only be used for selecting materials and shall not be regarded as a material specification and cannot be used for molding designs. Information inserted in this document such as data, statements, representative values, etc. are provided solely for customer convenience. It does not expressly or impliedly guarantee anything regarding the safety or practicability of the (1) materials, (2) products, and/or (3) design that utilizes recommendations or proposals, of SER. Furthermore, nothing in the contents of this document shall have any legal binding effect, and especially, the representative value is simply for reference and is not a minimum value that has legal binding effect.

Whether materials and/or products of SER and/or a design that uses or utilizes SER recommendations or proposals are (is) compatible with individual uses shall be determined solely by each user and such user shall be solely responsible for any results, including but not limited to, any and all loss and damages incurred due to such uses. Users must implement and verify all testing and analyses for proving the safety and compatibility of final products that have been created or altered by using SER's materials or products. The data and values inserted and/or contained in this document may be changed due to quality improvement of the product without any prior notification.
